It's Raining Men

The Weather Girls

Alright girl we are back again
Hi! Hi! We're your weather girls and have we got news for you
Tell them girl
Get ready all you'll lonely girls
And leave those umbrellas at homeHumidity's rising, barometer's gettin' low
According to all sources the street's the place to go
Tonight for the first time just about half past ten
For the first time in history it's gonna start raining menIt's raining men, Hallelujah, it's raining men Amen
I'm gonna go out, I'm gonna let myself get absolutely soaking wet
It's raining men, Hallelujah it's raining men, every specimen
Tall blond dark and lean rough and tough and strong and meanGod bless mother nature
She's a single woman too
She took for the Heaven
And she did what she had to do
She taught every angel to rearrange the sky
And each and every woman could find her perfect guyIt's raining men, Hallelujah, it's raining men, Amen
It's raining men, Hallelujah, it's raining men, Amen
It's raining, it's raining, oh it's stormyI feel stormy weather moving in
About to begin about to begin
With the thunder don't you loose your head
Rip off the roof and stay in bedGod bless mother nature
She's a single woman too
She took for the Heaven
And she did what she had to do
She taught every angel to rearrange the sky
So that each and every woman could find her perfect guy
Oh it's raining men, yeahHumidity's rising, barometer's gettin' low
According to all sources the street's the place to go
Tonight for the first time just about half past ten
For the first time in history it's gonna start raining menIt's raining men, Hallelujah, it's raining men, Amen
It's raining men, Hallelujah, it's raining men, Amen
It's raining men, Hallelujah, it's raining men, Amen
