Enemy

Dead Feâ€ us

I have made you an enemy
I have been my own enemy
I am asking for you to forgive me for everything
If you don't you're worthy of compassion
If you do you're a better man than I am
If you don't know you're my family
Enemy, I'm sorry, oh, enemy
Family forgive me, enemy
If you don't you're worthy of compassion
If you do you're a better man than I am
If you do you're a better man than I am
Enemy, enemy, family, family
