Trespassing

Strange Names

You're not looking for the time
In the sentimental sky
I promise I'm your kind of type
I help you out in a bindYou know it stings like a bee
But honey don't you see
You're disturbing the peace
Disturbing the peaceYou know it stings like a bee
But honey don't you see
You're trespassing
You're trespassingSleeping all the time
But you cut another line
Oh drink away your woes
You're not a stranger to these foes
No you can't
No you can't
No you can't get in
