What I Am

Emma Bunton

I'm not aware of too many things
I know what I know, if you know what I mean
I'm not aware of too many things
I know what I know, if you know what I meanPhilosophy is the talk on a cereal box
Religion is the smile on a dog
I'm not aware of too many things
I know what I know, if you know what I mean, d-doo yeahChoke me in the shallow water
Before I get too deepWhat I am is what I am
Are you what you are or what?
What I am is what I am
Are you what you are or what?I'm not aware of too many things
I know what I know, if you know what I meanPhilosophy is a walk on the slippery rocks
Religion is a light in the fog
I'm not aware of too many things
I know what I know, if you know what I mean, d-doo yeahChoke me in the shallow water
Before I get too deep
Choke me in the shallow water
Before I get too deepWhat I am is what I am
Are you what you are or what?
What I am is what I am
Are you what you are or what?What I am is what I am
Are you what you are or what you are?
What I am is what I am
Are you what you are or what?
I say, I say, I sayChoke me in the shallow water
Before I get too deep
Choke me in the shallow water
Before I get too deepDon't let me get too deep
(What I am is what I am are you what you are or what?)
Don't let me get too deep
(What I am is what I am are you what you are or what?)Don't let me get too deep
(What I am is what I am are you what you are or what?)
Don't let me get too deep
(What I am is what I am are you what you are or what?)What I am is what I am are you what you are or what?
What I am is what I am are you what you are or what?
What I am is what I am are you what you are or what?
