I Believe

Bro'Sis

Ha you know some people just
Don't know what I'm talking about
But I know you understand
'Cause I know you believeBaby, I believe
That you were meant for me
And if there's somebody
Then baby I believe
That somebody is you
And every thing you do
'Cause baby I believe
I believe in youI walk home alone
Waitin' by the telephone
All my girlfriends say
Give it up, baby, give it upI know that you can see
This is how it's meant to be
You're my frequency
'Cause baby I believe
Come onBaby, I believe
That you were meant for me
And if there's somebody
Then baby I believe
That somebody is you
And every thing you do
'Cause baby I believe
I believe in you
Yeah, yeah, yes I doNo, they don't understand
Dreaming up a masterplan
I know that you can
Give it up, baby, give it upAnd it's a simple rule
You don't wanna play it cool
Leave me like a fool
'Cause I believe in youCome on (Here we go)Baby, I believe
That you were meant for me
And if there's somebody
Then baby I believe
That somebody is you
And every thing you do
'Cause baby I believe
I believe in youOne love is the prophecy

I believe without pain to the past and if you came to me
You'd set me free
Sure as one and one is true
Yeah I believe in you
That's what I do
'Cause I believe in you
And it seems so realI was dreaming
Did you come to me
Hold me closer for eternity
I believeBaby, I believe
That you were meant for me
And if there's somebody
Then baby I believe
That somebody is you
And every thing you do
'Cause baby I believe
I believe in youI walked through the world and I see it all
I never looked down in case of the fall
I'm off the wall and I still believe
YeahThat somebody is you
And every thing you do
'Cause baby I believe
I believe in you
Yes I do
Yes I do
I believe in you
