Dangerously In Love

Dafina Zeqiri

I love you
I love you, I love youBaby I love you, you are my life
My happiest moments weren't complete if you weren't by my side
You're my relation and connection to the sun
You next to me, there's no darkness I can't overcomeYou are my raindrops, I am the sea
You and God who's my sunlight, I'm blooming, grown so beautifully
Baby I'm so proud, proud to be your girl
You make the confusion go all away from this cold and misty worldI am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just, just keep loving me the way I love you loving meI am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just keep loving me the way I love you loving meI know you love me, love me for who I am
'Cause years before I became who I am, baby you were my man
I know it ain't easy, easy loving me
I appreciate the love and dedication from you to meLater on in my destiny I see myself having your child
I see myself being your wife and I see my whole future in your eyes
Thought of all my love for you, sometimes makes me wanna cry
Realize all of my blessings, I'm grateful to have you by my sideI am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just, just keep loving me the way I love you loving meI am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just keep loving me the way I love you loving meEvery time I see your face, my heart smiles
Every time it feels so good, it hurts sometimes
Created in this world to love
To hold, to feel, to breathe, to live you
Dangerously in love, yeahI am in love with you
You set me free

I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just, just keep loving me the way I love you loving meI am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just keep loving me the way I love you loving meDangerously
Dangerous, dangerously in love with you
Oh, I love you, I love you, I love you, I love you, I love you, I love you
I love you, oh yes
I love you
I love you, I love you, I love you, I love you, I love you
I love you
I love you
I love you, I love you, I love you, I love you
Dangerously in loveI will survive the past, I will survive the fear and I will survive
