I Wish I Was

Joshua Hyslop

Oh darling, it's been so long
To throw on your old self
Because I've seen what's going on

Oh, darling, what are you dreaming of?
Well I was much younger then
And you were in love

And I said 'Oh, Ohh, I wish I was'
I cried, 'Ohh, Oh, I wish I was'

And time keeps on changing
You lose those you love
And hearts keep on breaking
Oh, the memories of

And pain of tomorrow
But you don't know yet
Lonesome, forgotten
Yeah, people you've met

They say, 'Oh, Ohh, I wish I was'
They cry, 'Ohh, Oh, I wish I was'
And you said, 'Oh, Ohh, I wish I was'
You said, 'Ohh, Oh, I wish I was, I wish I was.'

And I cried 'Ohh, Oh, I wish I was.'
