Four Kicks

Kol

Huffman don't take no nonsense
He's here to rectify
He's got his black belt buckle
And the red man's fire in his eyeYou with your switchblade posse
I'll get my guns from the south
We'll take to the yard like a cock fight
Four kicks who's strutting now?This party is overrated
But there ain't shit else to do
She's a lovin' on a boy from the city
I'll be lovin' him under my shoeYou with your switchblade posse
I'll get my guns from the south
We'll take to the yard like a cock fight
Four kicks who's strutting now?You with your switchblade posse
I'll get my guns from the south
We'll take to the yard like a cock fight
Four kicks who's strutting now?
