# Dirty Little Mind

## Jackyl

Dirty little mind
Dirty little mind
Dirty little mind
Dirty little mindWell I licked her clean from head to toe
I took her down for the count
She was ready for more
And you know she's got a dirty little mindThe way she walks
The way she grooves
I have to strap her down
To keep up with her moves
She got a dirty little mindShe got a dirty
(Dirty)
A little dirty
(Dirty)
A dirty little mind
A dirty little mindStretched out in the night
What do I feel?
I feel so good it just can't be real
She got a dirty little mindShe makes me smile
Makes me glad
(She's B A D)
Yeah man she's bad
And you know she's got a dirty little mindShe got a dirty
(Dirty)
A little dirty
(Dirty)
A dirty little mind
A dirty little mindShe's got a dirty
(Dirty)
I said dirty
(Dirty)
Dirty little mind
A dirty little mind
Oh yeahAnd I know what she's thinking
Yes I know what's on her mind
You've got to know
My body's sinking into her mind
And I know she'll never let go
'Coz I've got her on a stickShe's got a dirty

Dirty
Dirty
Dirty
Dirty little mind
A dirty little mind
