

# Ambulance

Coco Morier

Please tell someone  
To cut off the life machine  
Let that long note ring on the ekg  
There's no medicine science  
Hasn't found remedy  
Please tell someone  
To cut off the life machine  
Slings and braces try  
To fix what's torn apart  
They can't release the pain  
Inflicted on my heart  
Fade to black, fade to black  
Fade to black, fade to black  
Too late to call the ambulance  
For my heart  
Can't let go of you  
Times not helping me heal  
Crashed my car  
And you're still there  
Spinning the wheel  
I need medicine but  
I haven't found remedy  
Bring you back to me  
Took the anesthetic  
But I can still feel  
Slings and braces try  
To fix what's torn apart  
They can't release the pain  
Inflicted on my heart  
Fade to black, fade to black  
Fade to black, fade to black  
Too late to call the ambulance  
For my heart
