I'm Looking for Blue Eyes

Jessi Colter

Im looking for blue eyes
Has anyone seen him
Dont you tell me
He gave up on meIm looking for blue eyes
Ive got to find him
'Cause something tells me
Hes looking for meThere was a time when
Blue eyes said hed love no other
His one and only love
He swore Id beThere was a time when his blue eyes
Saw clearer than mine did
Storms and rain, tears and pain
Bring me back his wayLooking for blue eyes
Has anyone seen him
No dont you tell me
He gave up on meIm looking for blue eyes
Ive got to find him
'Cause something tells me
Hes looking for meIm looking for blue eyes
Has anyone seen him
Dont you try to tell me
