Saints and Sinners

Godsmack

Grown from a seed of hope
I've never known
Been raised by the surroundings
Of a home so cold, so cold
If I only knew what I knowI'll shake my fist up to the sky
Just keeping my dreams alive
I'm one part saint and two part sinner
And the last part is still on the lineWe pray even when we know nobody cares, ah ya
And make everything we know turn into fear
And then disappear
If I only knew what I knowI'll shake my fist up to the sky
Just keeping my dreams alive
I'm one part saint and two part sinner
And the last part is still on the lineShake my fist up to the sky
Just keeping my dreams alive
I'm one part saint and two part sinner
And the last part is still on the lineEye for an eye they told me for some time
No way to hide from what's inside
What's inside of meI'll shake my fist up to the sky
Just keeping my dreams alive
I'm one part saint and two part sinner
And the last part is still on the lineI'll shake my fist up to the sky
Just keeping my dreams alive
I'm one part saint and two part sinner
And the last part is still on the line
