Too Soon

Breakbot

You're trying to catch my eye
But I ain't looking out for love
You're trying to worth my while
But I'm a loser, boy you just can't touchI've been hurt I wondered why
So now I'm looking after my own
I don't know what you came to find
But now you'll have to wait a whileBecause it's too soon, too soon
I can't forget the times (can't forget the times)
And you're too new, too new
Can't let you come inside or stay the nightAnd you think that I'm teasing
But I ain't got no reason
It's just too soon, too soon
Too soon for me to give my love to...
(You're) not like those other guys,
But I don't wanna move too fast
Can't make me change my mind
So do you really wanna make it last?I've been hurt I wondered why
So now I'm looking after my own
I don't know what you came to find
But now you'll have to wait a whileBecause it's too soon, too soon
I can't forget the times (can't forget the times)
And you're too new, too new
Can't let you come inside or stay the nightToo soon, too soon
I can't forget the time (can't forget the times)
And you're too new, too new
Can't let you come inside or stay the night
And you think that I'm teasing
But I ain't got no reason
It's just too soon, too soon
Too soon, too soonYou're trying to catch my eye
But I ain't looking out for love
You're trying to worth my while
But I'm a loser, boy you just can't touchI've been hurt I wondered why
So now I'm looking after my own
I don't know what you came to find
But now you'll have to wait a while
Because it's too soon, too soon
I can't forget the times (can't forget the times)
And you're too new, too new

Can't let you come inside or stay the night
And you think that I'm teasing
But I ain't got no reason
Its just too soon, too soon
Too soon, too soon
Too soon for me to give my love to...
