In a Room

Imani Coppola

In a room you and i are naked
In a moment life is created
The outside world can be so complicated
Close the door and we can escape itWe can escape it
We can escape it, YeahA man walked on the a train but naked
Took a dump and then urinated
Everyone was so humiliated
The train doors closed
We couldn't escape it
I'got two dollars in my pocket (In my pocket)
I'mma buy me a bullet and...
Throw it awayPeople act so un-evolved
Some disputes are never resolved
In a room a problem is solved
Just shut the door and don't get involvedYeah, I got some money in my pocket (In my pocket)
I'mma buy me a glock and shock itIn a room you and i are naked
In a moment life is created
The outside world can be so complicated
Close the door and we can escape it
In a room babies are born
Minds are lost
Lessons are learned
Minds are lost
Music is made
Wounds are healed
We're not afraid
To be who we are
To act like we care
To speak from our heart
We're naked again
And you are my very best friend!Hey, hey, hey
In a room
