

# Silent Movies

## Madisen Ward and the Mama Bear

How bout we just sing forever?  
Bring your hands, close together  
Baby, ahhhhh, baby, ahooooaaaaaa  
Where you talk lets call your lies  
Sure don't know, join the choir  
Baby, ahhhhh, baby ahooooaaaaaa  
Silent movies make more money  
So how 'bout we make more money, girl?  
Where you dance they call you funny  
So how bout we get real funny, girl?

How bout we just sing forever?  
Bring your friends, close together  
Baby ahhhhh, baby, ahooooaaaaaa  
Where you talk, lets call your lies  
Sure don't know, join the choir  
Baby ahhhhh, baby, ahooooaaaaaa  
Silent movies make more money  
So how bout we make more money, girl?  
Where you best they call you funny  
So how 'bout we get real funny, girl?
