H.C. United

Madball

I don't believe in this segregation
This separation is not a part of our scene
We're a part of the same thing
What ever happened to unity?Don't point your fingers in any direction
We all have different beliefs
That's just a fact of life, reality
Who do you think you are with that elitist mentality?Live your own life, don't be the judge of me
Think twice, before you tell me how to be
Whose right, whose wrong doesn't matter to me
It's my life, so don't say nothin'I hope you're listening, pay attention
I'm not one to preach
But if you believe these words then listen carefully
I'll tell you what I don't believeI don't believe in discrimination, integration
I don't judge by look
What you eat or drink doesn't matter to me
It's about respect, equalityLive your own life, don't be the judge of me
Think twice, before you tell me how to be
Whose right, whose wrong doesn't matter to me
It's my life, so don't say nothin'Live your own life, don't be the judge of me
Think twice, before you tell me how to be
Whose right, whose wrong doesn't matter you see
It's my life, so don't pass judgment on meI'm tryin' to let you know
Don't let ignorance get the best of you
Tear down these walls they have to fall
You can't divide us, hardcore unite usLive your own life, don't be the judge of me
Think twice, before you tell me how to be
Whose right, whose wrong doesn't matter to me
It's my life, so don't say nothin'Live your own life, don't be the judge of me
Think twice, before you tell me how to be
Whose right, whose wrong doesn't matter you see
It's my life, so don't pass judgment on meLive your own life
Live your own life
Live your own life
Live your own life
