Angel

Amy Studt

It's been 5 months since u went away
Left without a word, nothing to say
When I was the one who gave you my heart and soul
But it wasn't good enough for you no...
So I asked godGod send me an angel from the heavens above
Send me an angel to give my broken heart a reason to love
Coz all I do... is cry
Now send me an angel to wash the tears from my eyesAnd I know it might sound crazy but after all that I still loved you
You want to come back in my life but now there's summing I have to do
I have to tell the that I want so door that they cant have my love no more
my heart cant take no more lies and my eyes are all out of cries
So... godGod send me an angel from the heavens above
Send me an angel to give my broken heat a reason to love
Coz all I do... is cry
Now send me an angle to wash the tears from my eyesNow you had me on my knees begin god please
To send u back to me i couldn't eat
I couldn't sleep u made me feel like I could not breath
When all I wanted to do was feel your touch and give you all my love
But u took my love for granted u want my loving now but u can't have it,
Oh godGod send me an angel from the heavens above
Send me an angel to give my broken heart a reason to love
Coz all I do... is cry
Now send me an angel to wash the tears from my eyesOoooh god send me an angel (an angel)
Wash the tears from my eyes
Send me an angel from the heavens above (send me an angel)
Send me an angel
Send me ooooh god
Send me an angel
Send me an angel
Oooh god
Send me an angel
