Miss America

Nick Carter

Aah sss
Yeah
Early mornin'
A small cafe
A beautiful vision comes my way
I watch her hips swing when she walks
She leaves me speechless when she talks
I see the sunshine through her dress
Makes my heart say yes
(Yes)
Take it off, take it off
Let's get it on, get it on
Light a fire so sweet
Make the man within me
Desire the woman in you
Miss America
Yes that's what you are
All my dreams they come true
When you do what you do
I just gotta get next to you
Miss America
Take me where you are
In the land of the free
Make a prisoner of me
Close my eyes and you're all that I see
Miss America
Yeah
I see your beauty shine in every girl
Coast to coast
You're the queen of my world
You're the reason for this state I'm in
New York to L.A.
(Skin to skin)
Take it off, take it off
Let's get it on, get it on
Makes me strong
Makes me weak
Makes the man within me
Love the woman in you

Miss America
(Waoh yeah)
Yes, that's what you are, oh
All my dreams they come true
When you do what you do
I just gotta get next to you
Miss America
Take me where you are
In the land of the free
Make a prisoner of me
Close my eyes and you're all that I see
(Ooo ooo ooo)
There's one thing you need to know
Oh woman
(Aaa aaa aaa)
You rock my world 'cause you're so
Beautiful
Miss America
Yes that's what you are
Miss America
Take me where you are
Miss America
Yes, that's what you are
All my dreams they come true
When you do what you do
I just gotta, just gotta, get next to you
Miss America
(Ohh, yeah)
Take me where you are
(Ooh, take me)
In the land of the free
Make a prisoner of me
(Let make it)
Close my eyes and you're all that I see
Miss America
(Hotshot queen of my world)
Miss America
Miss America
(Hotshot American girl)
Miss America
Ah, take it off, take it off
Just get it on, get it on
Take it off, take it off
Just get it on, get it on
Miss America
