Never Let Me Down

Lukas Graham

There?s just something about her
She got me working harder
She is always on my mind
Oh, oh, oh I tell you

She?s got something that?s better
It holds my world together
When she?s with me I?m alright

And everywhere I go
Empty handed
Feeling we?ve been parted for so long
That?s why I keep you right here in my palm

You never let me down!
I swear you?re a blessing
Oh! Ain?t you the best thing?
Wow! Love everlasting
Never get me wrong
Oh, you let me be-eeee-eee, be-eeee-eee, be-eeee-eee,
Do that love me

Come on! Come on

Back at the ball I was having my drink
Talking to my lady, never needed a shrink
Somebody sent me a smile and she threw me a wink
She asked, ?Are you single??
I said, ?What do you think??

Girl, everywhere I go
Empty handed
Feeling we?ve been parted for so long (long)
That?s why I keep you right here on my arm

You never let me down!
I swear you?re a blessing
Oh! Ain?t you the best thing?
Wow! Love everlasting
Never get me wrong

Oh, you let me be-eeee-eee, be-eeee-eee, be-eeee-eee,
Do that love me

Bum-bada-bumbum-badadabada?

Come on!

I like to mix it, girl
I like to twist it with you
I like to shake it, girl
I think I?ll make it with you
I like to mix it, girl
I like to twist it with you, you, you

You never let me down!
I swear you?re a blessing
Oh! Ain?t you the best thing?
Wow! Love everlasting
Never get me wrong
Oh, you let me be-eeee-eee, be-eeee-eee, be-eeee-eee,
You gotta love me

Come on!
Come on!
Come on!
