Poor Howard

Robert Plant

Poor Howard, poor boy
Poor Howard, poor boy
Poor Howard, poor boy
Left me here to jump for joyPretty little girl with a red dress on
Pretty little girl with a red dress on
Pretty little girl with a red dress on
Pretty little girl with a red dress onPoor Howard's been and gone
Poor Howard's been and gone
Poor Howard's been and gone
And left me here to sing this song, ohPretty little girl with a red dress on
Pretty little girl with a red dress on
Pretty little girl with a red dress on, I know
Pretty little girl with a red dress onWhere you been since I been gone?
Where you been since I been gone?
Where you been since I been gone?
With the great big man with a derby on?Pretty little girl with a red dress on
Pretty little girl with a red dress on
Pretty little girl with a red dress on, oh
Pretty little girl with a red dress onOoh-oh
Ooh-oh
Ooh-oh
Ooh-ohAll I want in this Creation
Pretty little girl and a big plantation
Four little kids to call me papa
Four little kids to drive me crazyAll I want in this Creation
Pretty little wife and a big plantation
Four little kids to crawl on me
Four little kids to love meAll I want in this Creation
A pretty little wife with a big plantation
Four little kids to call me papa
Four little kids to drive me crazyWa-wa
Oh, wa-wa
Oh, wa-wa
Oh, wa-waOh, wa-wa
Wa-wa
Wa-wa
Wa-waAll I want in this Creation
Pretty little wife and a big plantation
Four little kids to call me papa

Four little kids to drive me crazy
