If I Were You

Candee Jay

If I were you
I would never let me go
If I were you
I would always love me so if I were youI can't play your part in life
But I would surely walk my way
I cant think the way you think
But I would never go awayYou can trust me when I say
That I will always be for real
You can always count on me
No matter how alone you feelIf I were you
I would never let me go
If I were you
I would always love me so
If I were youI would never.would never.(x2)
I would always.would always.(x2)I can't tell you what to do
I can only hope for more
More decisions to be good
Like the way they were beforeI can't dream the things you dream
Cause I would not know where to start
Life is never what is seems
When two souls are far apartIf I were you
I would never let me go
If I were you
I would always love me so
If I were youI would never.would never.(x2)
I would always.would always.(x2)I don't wanna know
How it feels to lose a friend
And if I were you
I would never leave againIf I were you
I would never let me go
If I were you
I would always love me so
If I were youIf I were you
I would never let me go
If I were you
I would always love me so
If I were you
