2 Many Times

Bodyjar

What group are you supposed to be in?
you need a direction, a fashion, a change.
Try and show everyone you're different.
You give me your reasons,
then still stay the same.
You've been in this scene for as long as me.
Just say fuck to your peers
and say what you mean.
I can't believe that you just stand there
and say all the things that you've said before.
Put on an act and all your friends will
make believe.
You won't open your eyes it's so hard to
perceive.
It's not fair you had to wait in line,
you'll have to pay 2 times.
When you're wrong you'll find,
it's been too many times today.
Reason don't need a reason.
Meaning you need a meaning.
