Say It to My Face

Lil' Flip

Aye, aye, ayeWhy you actin' like a h***? n***, say it to my face
You rather rap it in a flow, why you ain't say it to my face?
Now I know your a***, say it to my face
Man, that n*** gotta go, oh, ohWhy you actin' like a h***? n***, say it to my face
You rather rap it in a flow, why you ain't say it to my face?
Now I know your a***, say it to my face
Man, that n*** gotta go, oh, ohYou run your mouth to them h***s, why you ain't say it to my face?
You ain't playin' wit a kid, I'ma put you in your place
I got n*** on my team who ain't scared to catch a case
Catch your b*** while she's shoppin' and put that pistol by her waistPush her in your car, then take her to your place
B***, where the jewelry at? Hurry, open up the safe
When it comes to gettin' bread I'm ahead in the race
Infrared to his head, it's just another murder caseThe game really over when you see that yellow tape
Pop the Lucky Nites, n***, let's celebrate
These n*** love to hate but I'm aight wit' that
M*** will push your whole temple backN***, remember that I am not a game
I guarantee y'all, n***, coppin' my chain
'Cause y'all jackin' my style, you can't f*** with my flow
And she a d***, b***, you can't f*** with my h***I'm still pumpin' that d***, I'm still thuggin' fo sho
You hear that knock, n***? Courtesy of Z-Ro
Don't be no hero, just play your part n***
You beef with me then it mean you ain't smart, n***Why you actin' like a h***? n***, say it to my face
You rather rap it in a flow, why you ain't say it to my face?
Now I know your a***, say it to my face
Man, that n*** gotta go, oh, ohWhy you actin' like a h***? n***, say it to my face
You rather rap it in a flow, why you ain't say it to my face?
Now I know your a***, say it to my face
Man, that n*** gotta go, oh, ohLook, a lot of y'all rappers turn up so bold but can't nobody touch me
But in the real we infiltrate, penetrate, m***
So one might get cool wit' you just to do your a*** end
I be openin' up in your whip and it's comin' through your glass inWhether you standin' in my upper arm from the side of my forearm
I can walk without security 'cause ain't nobody gon' do 'Ro no harm
Before I go f*** all y'all I feel I own ya that much
And if you wonder what it is that makes me act this way, n***, that's n***We got fat n***, you know the kind your baby momma like
Anythin' I say behind your back I'm willin' to say it to your face twice
F*** Lil' Flip, f*** Z-Ro, I don't be listenin' to their s***

May the same ones that at our shows recite our lyrics think that their s***I'm just waitin' to hear somebody slander my name in a song
Same day it come out, I pull a 2-8 g***
And d*** that b*** when I leave your home
Murder ain't crazy, just necessary sometime
I call a 1*** and then you check out that's when I put my g*** downWhy you actin' like a h***? n***, say it to my face
You rather rap it in a flow, why you ain't say it to my face?
Now I know your a***, say it to my face
Man, that n*** gotta go, oh, ohWhy you actin' like a h***? n***, say it to my face
You rather rap it in a flow, why you ain't say it to my face?
Now I know your a***, say it to my face
Man, that n*** gotta go, oh, oh, yeah
