Everything She Wants

Saint Raymond

Take back what we know is a hurricane
It moves faster than anything we try to feign
Sleep tight this storm is a lullaby
In time it'll pass us byIt comes back to haunt us again and again
It's a white noise, it's a white noise
The heartache, the thunder, the dust rising high
It's a white noise, it's a white noiseIn this life
We can see everything
In this lifeIf I could give her, giver her, give her
Everything she wants
If a could show her, show her, show her
Everything she needsIf I could give her, giver her, give her
Everything she wants
If a could show her, show her, show her
Everything she needsTake back what we know is a hurricane
Goes out every time you get your own way
Sleep tight this storm is a dark sky
Wake up and it's passed us byIt comes back to haunt us again and again
It's a white noise, it's a white noise
The heartache, the thunder, the dust rising high
It's a white noise, it's a white noiseIn this life
We can see everything
In this lifeIf I could give her, giver her, give her
Everything she wants
If a could show her, show her, show her
Everything she needsIf I could give her, giver her, give her
Everything she wants
If a could show her, show her, show her
Everything she needsYou're still the girl who rules my heart
I'm still the boy to tear it all apart
You're still the girl who rules my heart
I'm still the boy to tear it all apart
You're still the girl who rules my heart
I'm still the boy to tear it all apart
You're still the girl who rules my heart
It's all for us, it's all for usIf I could give her, giver her, give her
Everything she wants
If a could show her, show her, show her
Everything she needsIf I could give her, giver her, give her

Everything she wants
If a could show her, show her, show her
Everything she needs
