# Blues Dancing

## Shakura S'Aida

I?ve been blues dancing with my baby
Dancing all night long (x2)

Oh well he rides me and he rolls me
Right through the song

I?ve been blues dancing with my baby
Right down to the floor (x2)

Oh he smoothes and he moves me
Makes me beg for more.

I?m doin? a dance for two
All night long
Don?t bother asking to cut into my song

I?m blues dancing with my baby
Oh, makes me go all night

?Cause I?m tellin? you sweet papa
You make me feel alright

I?ve been blues dancing with my baby
He?s spins me once or twice (x2)

Oh, and when he get through
He says, sweet mama that sure was nice

I?ve been blues dancing
Yeah, blues dancing
Sweet blue

My daddy rocks and rolls me
Blues dancing, all night
Ooh, yeah
It?s outta sight

And when he get through
He says, baby that sure was nice
