No Other Choice

Tye Tribbett & G.A.

So many times in life before
I tried and tried to do things my way
(Hey, hey, hey)
I thought that I was smart enough
I thought I knew enough to
(Handle my self)I didn't realize the problem was
The struggle was between my will and Yours
So I'm giving up my will for Yours
I'm totally depending on You
(Please come through)I have no other choice but to trust You
That's all I can do
I have no other choice but to believeNow when trouble comes my way, I don't cry
I just lift my eyes
(To the hills)
'Cause Your word says my help is gonna come
I'm just gon' rest in what You say
(Hey, hey, hey)'Cause I know every word You say is true
And every promise that You made it will come to
So no matter how long it takes
I'll be here still giving praise
Waiting on my change to comeI have no other choice but to trust You
That's all I can do
I have no other choice but to believe
