# Dissolve

## Mudhoney

Watch me nowThey line 'em up
They make 'em stand tall
They line 'em up
Just to, to watch 'em fallOh, I don't think I can take no more
And I don't think I want no more
Gonna walk right through that open door
And lock it tight behind meNo, I don't like it here
No, I don't like it at all
No, I don't like it here
Watch me while I, I, I dissolve
