

# Committed

J. Minor

who said it's better to love and lose it  
then to never love at all  
who ever made it up  
then take it all back  
i couldn't deal with the broken pieces  
that i suffered in the fall  
hope jesus left the keys under the doormat  
hope it don't hurt too bad,  
hope there ain't much pain,  
hope there's a tunnel with a light at the end  
and a choir singing my name  
baby don't look so sad  
it's better of this way  
life just ain't worth living  
if you ain't living with meoh oh oh but baby i never  
thought you would leave  
the love that we had was so wonderful  
but then you walked out my lifefrom then my heart was beating voluntarily  
i'm finally checking out  
i wanted to go to sleep, forgive me  
cos you're the one i just couldn't live without, you hear me  
so i did it, i did it  
i just committed, committed, committedmy heart was beating voluntarily  
i'm finally checking out  
i wanted to go to sleep, forgive me  
cos you're the one i just couldn't live without, you hear me  
so i did it, i did it  
i just committed, committed, committedi'm staring at pictures i couldn't even bare to take them off the wall  
i thought of my good-byes and wrote them all down  
nothing left to leave my lone possession,  
walked away and took it all  
i think it's time for me to say good-bye now  
hope it don't hurt too bad,  
hope there ain't much pain,  
hope there's a tunnel with a light at the end  
and a choir singing my name  
girl i bet you didn't know that  
i bought you that ring  
i was working up the nerves to give it to you

before your feelings had changedoh oh oh but baby i never  
thought you would leave (thought you would leave)  
the love that we had was so wonderful (wonderful)  
but then you walked out my life (out my life)from then my heart was beating voluntarily  
i'm finally checking out  
i wanted to go to sleep, forgive me  
cos you're the one i just couldn't live without, you hear me  
so i did it, i did it  
i just committed, committed, committedmy heart was beating voluntarily  
i'm finally checking out  
i wanted to go to sleep, forgive me  
cos you're the one i just couldn't live without, you hear me  
so i did it, i did it  
i just committed, committed, committednot everybody wants a second chance in love  
(chance in love with somebody else)  
they wanna love with what they got with all that they got forever  
not start (over and over)  
again (don't wanna start over again)  
you made a promise that you would be mine (would be mine)  
but all along it was all a lie (all a lie)  
when you said that you love me  
and i've tried to be strong (over and over again)from then my heart was beating voluntarily  
i'm finally checking out  
i wanted to go to sleep, forgive me  
cos you're the one i just couldn't live without, you hear me  
so i did it, i did it  
i just committed, committed, committedmy heart was beating voluntarily  
i'm finally checking out  
i wanted to go to sleep, forgive me  
cos you're the one i just couldn't live without, you hear me  
so i did it, i did it  
i just committed, committed, committedbeating voluntarily (oh)  
i'm finally checking out (i'm checking out)  
i wanted to go to sleep, forgive me (i'm saying bye bye)  
cos you're the one i just couldn't live without (bye bye),  
you hear me  
so i did it, i did it  
i just committed, committed, committedmy heart was beating voluntarily (my heart was beating involuntarily)  
i'm finally checking out  
i wanted to go to sleep (you left me all alone), forgive me  
cos you're the one i just couldn't live without (without),  
you hear me  
so i did it, i did it  
i just committed, committed, committedso i did it, i did it  
i just committed, committed, committedi just committed, committed, committed
