Ghoul Of My Dreams

Wednesday 13

She's probably from the casket
I really wanna ask her
If shell be my one and only
I'm tired of being lonley
I know this sounds sick
I gotta bite you on the neck
And make you mine
You couldnt get me higher
My little vampire
Your beautiful and spooky
You don't mind that I'm kooky
I wanna drive a steak
Right into your heart
And make you mine
(All mine)
I fell in love with
The ghoul of my dreams
She's the only one that makes me scream
X2

Shell be my little spider
I'll sit right beside her
She doesn't think it's scarry
And then I'm usually burried
I know this sounds sick
I gotta bite you on the neck
And make you mine
And when your next to me
I don't need no Halloween
Cause you can make me scream
Like no other human being
Now I wanna drive a steak
Right into your heart
And make you mine
(All mine)
I fell in love with
The ghoul of my dreams
She's the only one that makes me scream
X2
