Letter

B. Smyth

[Intro:]Yeah
You know what
I, I just...
I'm so frustrated right now
I, I can't talk no more, I just
Let me, let me just write you this letter
Alright
[Verse 1:]Girl you got my mind so messed up
I don't know what to do
I'm sitting here so frustrated
And it's all because of you
And normally I try not to let what you do get to me
So before I go and let my anger get the best of me
[Chorus:]I'm writing you this letter, letter
Cause if I don't then I'm gonna do something that I'll regret
I'm writing you this letter, letter
Cause in my mind I'm imagining knocking you off this bed
I'm writing you this letter baby
Here's the only thing left for me to do
Cause my life is stuck on pause
And I don't know what else to do
And my mind hates your guts
But my heart's still so in love with you
[Verse 2:]Today was bout the first time
I felt like I could strangle you
And I don't know where that came from
Cause I ain't that type of dude
All my niggas say I should quit giving you the time of day
Cause they seen me unhappy
But every time I try to leave you
Somehow you get back with me

[Chorus:]Oh
I'm writing you this letter, letter
Cause if I don't then I'm gonna do something that I'll regret
I'm writing you this letter, letter
Before I end up behind bars for cracking your head
I'm writing you this letter baby
Here's the only thing for me to do

Cause my life is stuck on pause
And I don't know what else to do
Cause my mind hates your guts
But my heart's still so in love with you
Yeah yeah yeah
[Verse 3:]Ok baby
This is hard enough for me to do
But I, I gotta leave you
It's just I can't keep going on like this
Maybe you'll be happy
Maybe you'll find somebody else
Maybe I'll be happy
But I just can't do this no more with you
Love like we use to
[Chorus:]Writing you this letter, letter
Writing you this letter, letter
Writing you this letter, letter
Writing you this
Said I'm writing you this
Said I'm writing you this letter, letter
Said I'm writing you, writing you,
Writing you, writing you
[Outro:]Now my life's still stuck on pause
And I don't know what else to do
Cause my mind hates your guts
But my heart's still so in love with you
