

Little Star

Madonna

Never forget who you are
Little star (little star)
Never forget how to dream
Butterfly God gave a present to me
Made of flesh and bones
My life, my soul
You make my spirit whole Never forget who you are
Little star
Shining brighter than all the stars in the sky
Never forget how to dream
Butterfly
Never forget where you come from
From love You are a treasure to me
You are my star
You breathe new life
Into my broken heart Never forget who you are
Little star
Never forget how to dream
Butterfly May the angels protect you
And sadness forget you
Little star There's no reason to weep
Lay your head down to sleep
Little star May goodness surround you
My love I have found you
Little star Shining bright (Little star) You breathe new life
Into my broken heart Never forget who you are
Little star
Shining brighter than all the stars in the sky
Never forget how to dream
Butterfly
Flying higher than all the birds in the sky Never forget who you are
Little star
Never forget where you come from
From love Little star
Little star
Little star
From love (Little star)
