Yeah Yeah Yeah

Rahsaan Patterson

Yeah...lovely, lovely, oooh ooooo du dudVerse 1
A bitter night
A starry pill
I'm gone end up loving the way I feelThe sun is shining
Stick me up here
One touch leads to much you know the dealVerse 2
The purple kind
A heated chill
I'm gone end up bringing the morning inOn a high
Standing still
No use coming down with time to killChorus
I feel it all over me - yeah yeah yeah
yeah yeah yeah yeah yeah yeah yeah yeah
I feel it all lovely - yeah yeah yeah
yeah yeah yeah yeah yeah yeah yeah yeah yeahVerse 3
The mood is right
and we can build
I'm gone end up bringing the mood to tearsUp and fly
A spirit thrill
If the Holy Ghost don't save ya, I know love willRepeat chorusyeah, yeah, yeah,eeeeeee, heeee heeee heeee, heeeeee
