Desecration

Nuclear Winter

Blasphemous sinner
Warhead jet black
Attack at will
Blasphemous attack
Unholy destruction
Dying of fear
AntiChrist ordered
Overkill is near
Legions of death arise
Come to slaughter the wholy
Desecrate the church
Rape the angel's soul
Demoniac army's of Satan
Rages deadly war
Virgins hearts ripped
Feel the wrath of evil
Lucifers vengeance is near
Destruction unto the heavens
Hell rise to the sky
Burning crucifix AAAhhh
Pentagrams burning burning
Must all rise
Mayhemic delaly
Armeggen crys
Satan laughs
Victory as one
Countless death
Satan has one
