Simpleton

Cum

Beat Like A Dog, Pissing All Over Shit ON The Rug, Bleed Like The Creep That I Have Become Face Down In Shit Shove My Nose In The Floor Make Me Think About Lie Down And Roll Over, Waht I Have Done Pledge Your Dependencies, Into Weapons Of Warfare, Soon Jealousies, Tendencies Turn Secrets We Share, It's Just Begun Face Down In Shit And I Want You To Beat Me Senseless And I Want You To Beat Me Senseless What Have I Done,
