

On My Father's Wings

Various Artists

If you were with me now
I'd find myself in you
If you were with me now
You're the only one who knew
All the things we planned to do
 I want to live my life
 The way you said I would
 With courage as my light
 Fighting for what's right
Like you made me believe I could
And I will fly on my father's wings
 To places I have never been
 There is so much I've never seen
 And I can feel his heartbeat still
And I will do great things on my father's wings
 This world I'll never see
 My dreams that just won't be
 This horse's stride with one days ride
 Will have covered more distance than me
 And I will fly on my father's wings
 To places I have never been
 There is so much I've never seen
 And I can feel his heartbeat still
And I will do great things on my father's wings
 Someday with his spirit to guide me
 And his memory beside me, I will be free
 To fly on my father's wings
 To places I have never been
 There is so much I've never seen
 And I can feel his heartbeat still
And I will do great things on my father's wings
 On my father's wings
