Everything Glorious

Travis Cottrell, Regi Stone and Friends

The day is brighter here with You
The night is lighter than it's hue
Would lead me to believe
Which leads me to believeYou make everything glorious
You make everything glorious
You make everything glorious
And I am Yours
What does that make me?My eyes are small but they have seen
The beauty of enormous things
Which leads me to believe
There's light enough to see thatYou make everything glorious
Yeah, You make everything glorious
You make everything glorious
And I am YoursFrom glory to glory
You are glorious, You are glorious
From glory to glory
You are glorious, You are glorious
Which leads me to believe
Why I can believe thatYou make everything glorious
Yeah, You make everything glorious
You make everything glorious
And I am YoursYou make everything glorious
Yeah, You make everything glorious
Oh, You make everything glorious
And I am YoursFrom glory to glory, oh, from glory to glory
You are glorious, You are glorious
You are glorious, You are gloriousAnd You make everything glorious
Yeah, You make everything glorious
You make everything glorious
And I am Yours
