Caravan

Nat King Cole

Night and stars above that shine so bright
The mystery of their fading light
That shines upon our caravanSleep upon my shoulder as we creep
Across the sand so I may keep
This memory of our caravanThis is so exciting, you are so inviting
Resting in my arms
As I thrill to the magic charmsOf you beside me here beneath the blue
My dream of love is coming true
Within our desert caravanThis is so exciting, you are so inviting
Resting in my arms
As I thrill to the magic charmsOf you beside me here beneath the blue
My dream of love is coming true
Within our desert caravan
