

# I Don't Think About You

**Jan Blomqvist**

I don't think about you.  
I don't think about you.  
I don't think about you.  
I don't think about you.  
I don't think about you.  
I don't think about you.  
I don't think about you.I don't think about you.  
I don't think about you.  
I don't think about you.The tape that I made you,  
don't ever remind me of you.  
I don't think about you.  
When I notice your toothbrush  
by the sink with a coat of dust...  
No, I don't think about you.  
Your smell on the pillow  
helps me to let go  
and not think about you.  
The words that I made you  
I remember and use...  
Still I don't think about you  
When I find your hair,  
next to your jacket on my white desk chair...  
No, I don't think about you.
