# Tahitian Moon

## Porno For Pyros

My boat's capsized it's gonna sink to the bottom
I can see the lights on the shore getting farther away
I don't know if I'll make home tonight
But I know I can swim under the Tahitian moonI came out here tonight to look for my friend
I don't know if I'll ever get to see him again
I don't know if I'll make home tonight
But I know I can swim under the Tahitian moonOne last time under the Tahitian moon
The sea is a very easy place to disappear
To drift away, to fall in love or make your peaceI came out here tonight to look for my friend
I don't know if I'll ever get to see him again
I don't know if I'll make home tonight
But I know I can swim under the Tahitian moon
