Kill the Music Industry

Cold

They change your faith
It's gone to far to name the way you see
The things they'll change
Your life and control, your mind, I can't relate to itSick of all this monotony
Kill the fuckin' music industryThey trust the way they feel
In their minds it's time for us to scream
The things they'll change
Your life and control, your mind, I can't relate to itSick of all this monotony
Kill the fuckin' music industrySick of all this monotony
Kill the fuckin' music industryKill the fuckin' music industry, xalot
Why?Sick of all this monotony
Kill the fuckin' music industrySick of all this monotony
Kill the fuckin' music industrySick of all this monotony
Kill the fuckin' music industryKill the fuckin' music industry
Kill the fuckin' music industry
Kill the fuckin' music industry
Kill the fuckin' music industry
