Absorbed

Pezz

I don't think that I want to die
And for this I need a reason why
When you humans act so funny and I need to fill my tummy
I tried
I lied
I don't feel like a man today
All good themes have been blown away
I'm feeling kinda giddy and my mood seems kinda fitting
I tried
I lied
But through the waves I'll find...
Some peace of mind
I don't know why I act this way
Something seems to change from day to day
When I'm feelin' kinda silly and my mood seems kinda fitting
I tried
I lied
But through the waves I'll find...
some peace of mind
I'll ride you out
