Fall In

Young Magic

Don't worry if we fall in love
We will never touch the ground
Don't worry if we fall in love
We will never touch the ground
Just fall into a dream
They say
If you die in a dream
You die in real life
Well
I just died in your arms
Lost in your eyes
And I know
This must be a dream
Cos I feel
Like I can fly to heaven
They say
If you live in a dream

You're hopelessly lost
Well
This ain't just any old dream
For our paths have crossed
And I may be hopelessly lost
But somehow
I've managed to find heaven
And don't worry
If we fall in love
We will never touch the ground
Don't worry if we fall in love
We will never touch the ground
Just fall into a dream
Don't worry if we fall in love
We will never touch the ground
Don't worry if we fall in love
We will never touch the ground
Just fall into a dream
