Everything I Miss At Home

George Howard

Oh, me
You know, I never meant for this to happen
But if it's wrong, I just feel so rightYou give me attention
You're someone who understands my needs
All rare but sensitive
Everything I miss at homeYou know how to hold me
And feel all the things, I want to feel
Inside of each tender kiss
I get everything I miss at homeI was just out on the town in search of some fun
I was looking for love
Then you came along and shared with me
All the things I miss at homeYou give me attention
You're someone who understands my needs
A man who is sensitive
Everything, I miss at homeYou know how to hold me
And feel all the things, I want to feel
Inside of each tender kiss
I get everything, I miss at homeOh, yes, I do love someone
But I can't pretend to be the happy one
You're taken for granted, I was lonely
But you were there for meYou give me attention
You're someone who understands my needs
Man who is sensitive
Everything, I miss at homeYou know how to hold me
And feel all the things, I want to feel
Inside of each tender kiss
I get everything, I miss at homeThings I miss at home
Things I miss at home
Things I miss at home
