One Blue Hill

Pale Saints

Time to swim
And time to see
Minds the yellow ring
Upon the seaFind me some more time
And I'll sing for my teaDo you still know him?
Do you still know?Time's a whim
And time is free
Find a yellow ring
Upon a seaMindful of this time
It's just a breezeDo you still know him?
Do you still know?
Do you still know him?
Do you still know?
