Call Me

Patricia Barber

If you're feeling sad and lonely
There's a service I can render
Tell the one who loves you only
I can be so warm and tender

Call me, don't be afraid
You can call me
Call me and I'll be around

When it seems your friends desert you
There's somebody thinking of you
I'm the one who'll never hurt you
Maybe that's because I love you

Call me, don't be afraid
You can call me
Don't wait a minute just call me
Call me and I'll be around

Now don't forget me 'cause if you let me
I will always stand by you
You've got to trust me, that's how it must be
There's so much I can do

If you call, I'll be right with you
You and I should be together
Take this love I long to give you

I'll be at your side forever, call me
Maybe it's late but just call me
Call me and I'll be around
