Dark Paradise

â„³â„´â„¯Lana Del Rey-Dark Paradise

All my friends tell me I should move on
I'm lying in the ocean singing your song
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah-ah-ahhh
That's how you sang it
Loving you forever can't be wrong
Even though you're not here, I won't move on
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah-ah-ahhh
That's how we played it
And there's no remedy for memory, your face is like a melody
It won't leave my head
Your soul is haunting me and telling me that everything is fine
But I wish I was dead
Every time I close my eyes, it's like a dark paradise
No one compares to you
I'm scared that you won't be waiting on the other side
Every time I close my eyes, it's like a dark paradise
No one compares to you
I'm scared that you won't be waiting on the other side
All my friends ask me why I stay strong
Tell 'em when you find true love, it lives on
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah-ah-ahhh
That's why I stay here
And there's no remedy for memory, your face is like a melody

It won't leave my head
Your soul is haunting me and telling me that everything is fine
But I wish I was dead
Every time I close my eyes, it's like a dark paradise
No one compares to you
I'm scared that you won't be waiting on the other side
Every time I close my eyes, it's like a dark paradise
No one compares to you
But there's no you, except in my dreams tonight
Oh-oh-oh-oh-hah-hah-hah-hah.
I don't want to wake up from this tonight
Oh-oh-oh-oh-hah-hah-hah-hah.
I don't want to wake up from this tonight
There's no relief, I see you in my sleep
And everybody's rushing me, but I can feel you touching me

There's no release, I feel you in my dreams
Telling me I'm fine
Every time I close my eyes, it's like a dark paradise No one compares to you
I'm scared that you won't be waiting on the other side Every time I close my eyes, it's like a dark paradise. No one compares to you
But there's no you, except in my dreams tonight
Oh-oh-oh-oh-hah-hah-hah-hah
I don't want to wake up from this tonight Oh-oh-oh-oh-hah-hah-hah-hah
I don't want to wake up from this tonight
