Lana

Sealion

Well Lana, Lana, oh Lana dear please come along with me
We'll go, we'll go, so far away
(Lana dear, Lana dear, Lana dear, Lana dear)
So happy we will be
(Lana dear, Lana dear, Lana dear)
I'll show, I'll show you another world
(Come with me, come with me, come with me, come with me)
Alone with silver and gold
(Come with me, come with me Lana dear)
Don't dear, please don't, don't be afraid
(Lana dear, Lana dear, Lana dear, Lana dear)
It's Heaven I've been told
(Lana dear, Lana dear, Lana dear)
Lana, Lana, oh Lana dear
(Come with me, come with me, come with me, come with me)
Please come along with me
(Come with me, come with me Lana dear)
Lana, Lana, oh Lana, dear
(Lana dear, Lana dear, Lana dear, Lana dear)
Please come along with me
(Lana dear, Lana dear, Lana dear)
