Neighborhood

Strange Names

I used to have a place to go
With the people I know
Seven years ago
Music on the stereo
Why you closing it down?
Movin' out of town
It's different now
I miss my old neighborhood
(Yeah)
...
I thought it over, years ago
Came of age and the new world come down(?)
I got a heart
But you could never know
You'll never turn it around
(No, no matter)
Talkin' to the world's made myself feel better
Never in this town
I miss my old neighborhood
Only wanna run around
Back to my neighborhood
Can I hitch a ride?
To the other side
Can I spend the night?
Forever, forever
Well, can I hitch a ride?
To the other side
Can I spend the night?
Forever, forever
I'm gonna find a place to go
(Find a place to go)
With the people I know
(With the people I know)
I get caught standing in the middle of a rodeo
Days get older
Time grows shorter
Leave town, yeah
That's what you told her
Leaving on her shoulder

Back to the neighborhood
(Yeah)
Can I hitch a ride?
To the other side
Can I spend the night?
Forever, forever
Well, can I hitch a ride?
To the other side
Can spend the night?
Forever, forever
Read my lips
You're in my track
You'll never get it back
Never get it back
Read my lips
You're in my track
You'll never get it back
Never get it back
Read my lips
You're in my track
You'll never get it back
Never get it back
Read my lips
You're in my track forever
Can I hitch a ride? (Can I hitch ride?)
To the other side (To the other side)
Can I spend the night? (Can I spend the night?)
Forever, forever
Well, can I hitch a ride? (Can I hitch a ride?)
To the other side (To the other side)
Can I spend the night? (Can I spend the night?)
Forever, forever, forever
