Lil Scrappy

As far as I can see you're a bitch to me
As far as I can see you're a bitch to me
You the weakest link goodbye
You the weakest link goodbye
You the weakest link goodbye
You the weakest link goodbyeAs far as I can see you're a bitch to me
As far as I can see you're a bitch to me
You the weakest link goodbye
You the weakest link goodbye
You the weakest link goodbye
You the weakest link goodbyeThey always askin' me why I say yeah
'Cause I mean what I say and I agree with myself
And I'mma keep it real and you should keep believing
'Cause if you don't you the weakest link and you should be leavin'Twerk that shit in the lane and my name they be screamin'
Like Michael Vick I'm talking shit, playin' this field
So I ain't need no reason to knock you out the projects
Just take your fukin' wallet, I'm makin' a fukin' profitAnd you niggas can't stop me, like you tryin' to catch my ass
I'm ready to shot a nigga when all you do is fukin' pass
The last day of class, so ain't no need to ask
'Cause I ain't the teacher, I won't let you passI'm Don AKA, slash Corleone
Who started his own shit, who put us all on
And the bows been thrown and the guns been cocked up
Now the only thing left to get rid of you fukin' talkersAs far as I can see you're a bitch to me
As far as I can see you're a bitch to me
You the weakest link goodbye
You the weakest link goodbye
You the weakest link goodbye
You the weakest link goodbyeAs far as I can see you're a bitch to me
As far as I can see you're a bitch to me
You the weakest link goodbye

Niggas don't pretend to be down when you wasn't in

You smiling in my face I'mma stab you in the fukin' back
Dressed in all black with the tech ready to attackNigga you ain't hard, I'mma take yo ass up off the map
