# Flat Foot Floogie

## Slim & Slam

Oh, the flat foot floogie with a floy, floy,
Flat foot floogie with a floy, floy,
Flat foot floogie with a floy, floy,
Floy doy, floy doy, floy doy.

Yeah, yeah yeah, byah, oh, baby!
Yeah, byah, byah, oh, baby!
Yeah, byah, byah, oh, baby!
Yeah, byah, byah!

Whenever your cares are chronic,
Just tell the world, "go hang,"
You'll find a greater tonic,
If you go on swingin' with the gang!

Flat foot floogie with a floy, floy,
Flat foot floogie with a floy, floy,
Floy, floy, floy, yeah!
Send me on out there!

Whenever your cares are chronic,
Just tell the world, "go hang,"
You'll find a greater tonic,
If you go on stumblin' with the gang!
Hey, hey, hey, yes, yes!
